

Workshop Proposal Template for DAI 2023 (Please change it to the title of the proposed workshop)

ACM Reference Format:

. 2018. Workshop Proposal Template for DAI 2023 (Please change it to the title of the proposed workshop). In *Proceedings of (The Fifth International Conference on Distributed Artificial Intelligence)*. ACM, New York, NY, USA, 1 page. <https://doi.org/XXXXXXX.XXXXXXX>

Proposals for workshops should be about two (2) pages in length (this is not a hard constraint) in DAI style.

1 DESCRIPTION OF WORKSHOP TOPIC

A description of the workshop topic, identifying the specific issues on which the workshop will focus.

2 DISCUSSION OF THE RELEVANCE OF THIS WORKSHOP

A brief discussion of why the topic is of particular interest at this time, including a discussion of prior workshops in this area (if applicable).

3 ORGANIZING COMMITTEE EXPERTISE AND EVENT EXPERIENCE

A brief description highlighting the organizing committee's expertise in the area and experience organizing similar events.

4 WORKSHOP FORMAT

A brief description of the proposed workshop format, regarding the mix of elements such as paper presentations, invited talks, panels, and general discussion.

5 WORKSHOP DURATION

An indication as to whether the workshop should be considered for a half-day, one, or two-day meeting.

6 INFORMATION OF THE ORGANIZING COMMITTEE

The names and contact information (email, postal addresses, and telephone numbers) of the organizing committee, plus short descriptions of their relevant expertise. Please specify the main contact. The organizing committee should ideally be three or four people knowledgeable in the field. Strong proposals include organizers
